### § 21.5742 Entitlement.

(a) *Educational assistance.* A veteran or servicemember shall be entitled to one standard academic year (or the equivalent) of educational assistance for each year of service following the first enlistment beginning after November 30, 1980 (up to a maximum of four years). If the veteran or servicemember completes two years of active duty in the term of enlistment, but fails to complete the enlistment or fails to complete four years of active duty in an enlistment of more than four years, his or her entitlement to educational assistance shall be calculated as follows:

(1) VA shall determine the number of years, months and days in the veteran's qualifying period of service by subtracting the entry on duty date from the release from active duty date. Any deductible time under § 3.15 of this

chapter (during the period of service on which eligibility is based) will be excluded from the calculation.

(2) VA shall convert the number of years determined in paragraph (a)(1) of this section to months by multiplying them by 12.

(3) VA shall convert the number of days determined in paragraph (a)(1) of this section to 0 months if there are 14 days or less, and to 1 month if there are more than 14 days.

(4) VA shall determine the number of total months by adding the number of months determined in paragraph (a)(1) of this section (exclusive of years and days) to the number of months determined in paragraph (a)(2) of this section, and the number of months in paragraph (a)(3).

(5) VA shall multiply the number of total months in paragraph (a)(4) of this section by 75.

(Authority: 10 U.S.C. 2142(a)(2))

(b) *Subsistence allowance.* A veteran or servicemember shall be entitled to nine months of subsistence allowance for each standard academic year of entitlement to educational assistance. For each period of entitlement to educational assistance which is shorter than a standard academic year, a veteran or servicemember will be entitled to one month of subsistence allowance for each month of entitlement to educational assistance. This entitlement shall not exceed nine months.

(Authority: 10 U.S.C. 2147(a))

(d) *Effect of transfer upon educational assistance and subsistence allowance: Veteran or servicemember deceased.* (1) A person to whom entitlement is transferred after the death of a veteran or servicemember is entitled to payment of educational assistance and subsistence allowance in the manner as the veteran or servicemember. The rate of educational assistance and subsistence allowance will be as stated in §§21.5820 and 21.5822.

(2) If entitlement is transferred to more than one person following the death of a veteran or servicemember, the total remaining entitlement to educational assistance and subsistence allowance of all is equal to the total entitlement of the person on whose service entitlement is based.

(Authority: 10 U.S.C. 2147)

(e) *Revocation of a transfer of entitlement.* A surviving spouse who has transferred entitlement to a dependent child may revoke the transfer by notifying VA in writing. The veteran, servicemember or surviving spouse may choose the effective date of the revocation subject to the following conditions:

(3) If the person to whom entitlement is transferred is in training (for which educational assistance and subsistence allowance are payable) on the date the VA processes revocation, the effective date of the revocation may be no earlier than—

(i) The last date of the term, quarter, or semester at the accredited institution where that person is enrolled, or
